Meeting summary for DATA Meting (03/25/2025)

Quick recap

The team discussed using Google Docs for their discussions and the challenge of finding a suitable paper to reproduce. They agreed to put effort into finding a paper and to reconvene or discuss it on their discussion board. The team also briefly mentioned an upcoming reading quiz.

Next steps

- All team members to read through project requirements and ensure everyone is on the same page.
- All team members to search for and suggest potential papers to reproduce by Thursday.
- Isaiah to create a Google Doc for the project and submit it to the Dropbox.
- Isaiah to email the professor about the team's grade.
- All team members to complete the reading quiz due tomorrow.
- Team to reconvene on the discussion board to decide on a paper to reproduce.

Summary

Google Docs for Discussion

In the meeting, Richard proposed using Google Docs for their discussions and suggested that they could regroup on their discussion board. The team discussed the challenge of finding a suitable paper to reproduce, with Isaiah suggesting they might need to look at older papers. Richard agreed to put in some effort to find a paper and suggested they reconvene or discuss it on their discussion board. The team also discussed a reading quiz that was due soon.
